Introduction

Founded in 2018, LTS POOLS is a distinguished subsidiary dedicated to transforming spaces into luxurious aquatic retreats. Specializing in swimming pools, water features, and bespoke equipment, we boast a track record of excellence and innovation in Dubai, Abu Dhabi, and beyond.

With over 25 successfully completed pool projects and more than 50 annual maintenance contracts, LTS POOLS is synonymous with quality assurance and professional service. Our commitment to honesty, transparency, and unparalleled craftsmanship sets us apart in the market, ensuring that each client receives exceptional value and independent management of services.

At LTS POOLS, we understand the allure of a personal oasis. Whether you envision a modern marvel, a classic haven, or an outdoor sanctuary, our team possesses the expertise and experience to bring your dream pool to life. From initial consultation to meticulous construction and ongoing maintenance, we prioritize detail and client satisfaction, making us a trusted choice for discerning individuals and business leaders alike.

Cool off, entertain, and indulge in the beauty of your surroundings with LTS POOLS, where every project reflects our dedication to perfection and passion for creating unforgettable aquatic experiences.

Company Overview

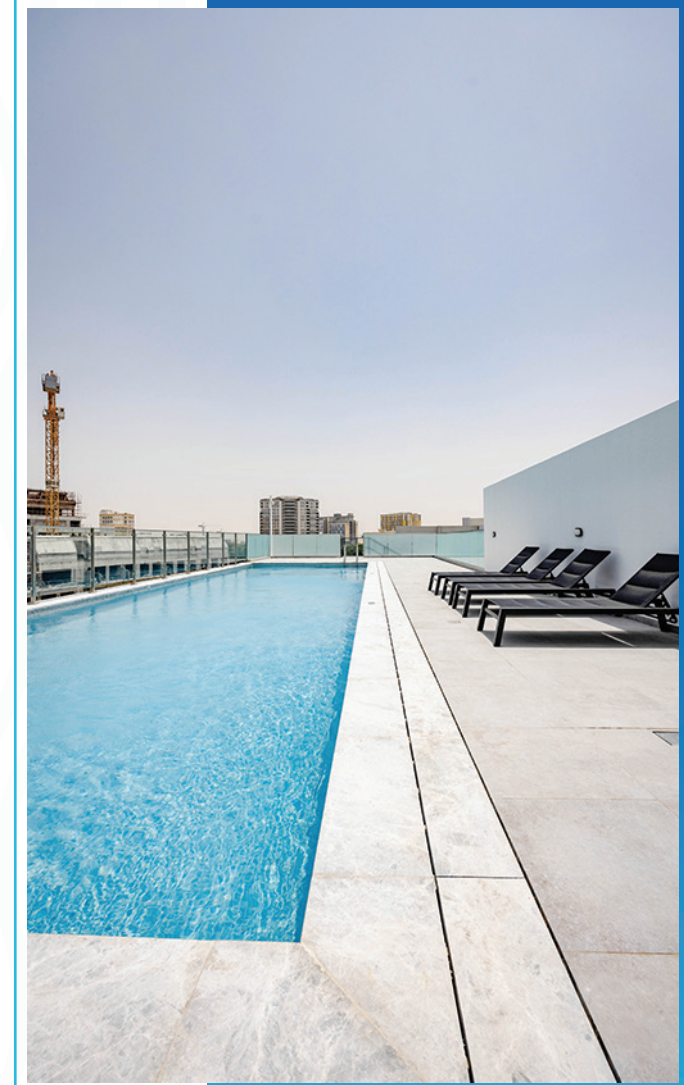

Company Background

Who We Are?

LTS Equipment Installation, established in 1995, has been a key player in the electromechanical construction industry. Building on our extensive experience and in-house capabilities, we launched our subsidiary, LTS POOLS, in 2018.

LTS POOLS focuses on swimming pools, water features, and specialized equipment. Under distinguished leadership, we have successfully completed over 25 pool projects and more than 50 annual maintenance contracts (AMCs). Our commitment to quality assurance and professionalism sets us apart in the market, driving our continuous growth and success.

Established **1995**

Vision & Mision

Our Vision

To enhance lives by delivering innovative and sustainable solutions that redefine the way people experience water for recreation and wellness. We aspire to be the industry leader, setting benchmarks in quality, creativity, and excellence.

Our Mision

Our mission is to responsibly create the perfect pool and wellness experience, prioritizing quality, safety, and sustainability. We are committed to delivering exceptional design, construction, and maintenance solutions that meet the highest standards,

Services

Pool Designing & Construction

Our team specializes in the design and construction of swimming pools and water features, as well as the selection of pool equipment tailored to client requirements, supported by a dedicated and experienced team.

Renovations MEP Maintenance

LTS Pools is dedicated to providing professional services to ensure your pool remains in optimal condition. Our expertise includes equipment repair and replacement, helping you achieve the pool you envision. We offer a range of services, including tile repair, crack repair, and MEP equipment maintenance and replacement, ensuring your pool is always at its best.

Routine Cleaning Maintenance & Water Test

LTS Pools offers highly trained and experienced technicians equipped with the latest tools to keep your pool healthy and refreshed. Our team excels in troubleshooting electrical and plumbing faults, ensuring efficient solutions. We prioritize water testing to achieve perfect balance and maintain optimal pool chemistry with our professional expertise.
